THE NEW KINGS OF THE ROAD IN CANADA**
MMIC Shows Across the Country Flaunt a Prestigious and Eclectic Line-up

CONCORD, Ontario (November 24, 2009) – It is that time of year again when inclement weather may lead many of us not to be able to actively pursue the art of motorcycling. The next best thing to do is to spend time admiring motorcycles with family and friends, and luckily enough, the MMIC Canadian Motorcycle Shows offer a perfect platform to display the new Harley-Davidson® motorcycles across the country.

Harley-Davidson® Sportster® Iron 883™ Model

Harley-Davidson® Fat Boy® Lo Model

Harley-Davidson® Electra Glide® Ultra Limited Model
(Canadian model may differ slightly)

The line-up will include the premium 2010 Harley-Davidson® Electra Glide® Ultra Limited motorcycle with its enhanced performance features, making it the must-have for the Grand American Touring aficionado, the funky 2010 Harley-Davidson® Fat Boy® Lo motorcycle with its bold and suave profile, as well as the Sportster® Iron 883™ motorcycle, which allows even the most inexperienced riders to embrace the pure essence of riding.

With a variety of exciting activities including demonstration of bike lifts for women, motorcycle customization displays, UFC video game challenges, as well as free give-aways, such as “How-To” kits, and the chance to win great prizes, the upcoming motorcycle shows allow us the pleasure of sharing our love of the open roads with you.
